From

The Secretary to the Hon'ble the Resident in Mysore.

To

The Chief Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Dated Bangalore, the 5th June 1944.

LOCATIONAL TRAINING FOR THE ARMY.

I am directed to state that, with the assistance of the Army authorities, H.Q.(Q.V.O. Madras) Sappers & Miners Gp. I.E., Bangalore, are starting an agricultural demonstration plot of about five acres with the intention of teaching the Sapper something about rural reconstruction and modern agricultural methods, which will be of value to him when he returns to his village after demobilisation.

2. The scheme is a strictly practical one and aims at teaching only the use of the limited equipment, such as modern ploughs and cultivators, which will lie within the means of the individuals concerned after the war. The intention, however, is to emphasize the vast difference which can be obtained by the use of good seed against bad seed and proper ploughing in relation to the existing Indian method of ploughing a field.

3. In this connection the Madras Sappers & Miners authorities request the assistance and advice of the following Departments of the Government of Mysore:-

The Department of Agriculture.

The Department of Public Health.

The Department of Industries and Commerce.

Their immediate needs to put the scheme into execution are as follows:-

- (i) One pair of bullocks for ploughing.
- (ii) Agricultural implements and ploughs.
- (iii) Poultry equipment - incubator of 150 eggs capacity.
- (iv) Artificial fertilisers.
- (v) Poultry.

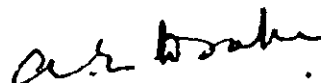

(vi)...

(vi) Bees.

Item (i) is particularly urgent.

4. The Hon'ble the Resident would be grateful if the Government of Mysore would kindly give the military authorities every possible assistance in their undertaking, which is a very great practical step towards the real improvement of the lot of the agriculturist after the war. On hearing from you I shall, if there is no objection, ask the Commandant of the Q.V.O. Madras Sappers & Miners to get into touch with Mysore Government's Civil Representative and settle details.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.
